Information came from a sexton's book that covered the period from 1886 to about 1931, from headstone readings by Clatsop County Genealogical Society done in May 1987, and about ten years ago, by the LDS Church; from a newspaper index at the Astoria Public Library, city directories and 1880 and 1900 censuses. We would appreciate learning about any errors or omissions we have made. Contact Liisa Penner at 325-7852 or Bettie Dybvik/Ober at 325-6506.

Maiden names are only partially indexed. Grave maps can be ordered from C.C.G.S. c/o the Astoria Public Library. Actual lot and grave locations were sometimes difficult to determine.
